Children's Mental Health Waiver Application Flowchart

(March 2010)

Family obtains Waiver Program Application (application available via – Internet Site , Referring Agency or MHSASD)

Family completes **Part 1** of the Application (referring agencies can assist families in completion of Part 1)

Family contacts CASII Evaluator to obtain CASII evaluation (list is on website http://wdh.state.wy.us/mhsa/treatment/waiverindex.html) OR

Developmental Preschool (applicants age 4-6) to obtain appropriate social emotional developmental screening

Family contacts clinician to complete Service Application Form (Part 2: items 1-4)

CASII Information is submitted to the MHSASD Waiver program

Application packet is provided (mailed/faxed/hand delivered) to MHSASD Waiver program

Waiver Program screens application & CASII information to determine Clinical Eligibility

Then notifies youth/family of availability of program— and refers applicant to Benefits Specialist at DFS

Family & DFS complete financial review information – youth/family are notified of eligibility status to program (financial qualification determined on review of applicant's information only)
